

## SFTE Membership Application

All persons professionally engaged in science or engineering pertaining to flight test are eligible for membership and will be assigned to a grade commensurate with education, professional experience, and degree of involvement with the flight test engineering discipline. The three grades of membership are Member, Associate, and Affiliate. New members will be assigned to the closest local chapter unless they desire to be a Member at Large. All college or university students currently enrolled in the sciences, mathematics, or engineering and carrying a minimum of 12 units are eligible for membership as a student member.
